It should be noted that any electricity consumption recorded at the supply point as indicated above shall be charged to the contracting party, until the supply point is disconnected (or cut off) upon the initiative of the Contracting Party or taken over by another Contracting Party. If, for any reason whatsoever, the Contracting Party no longer intends to make use of the supply point (e.g. due to a relocation), it is the latter's responsibility to inform SUDSTROUM of this in writing, otherwise any future electricity consumption shall be charged to said Contracting Party until Sudstrom is notified thereof in writing. The Contracting Party is not released from its obligation by the simple transfer of residence to another address. The undersigned declares himself/herself as jointly and severally liable with the holder of this contract until formal release is granted by Sudstrom S.à r.l. & Co S.e.c.s.
